November 15, 2007

Dear Supplier,

Subject: Las Vegas Distribution Center Update

Our new Las Vegas, Nevada Distribution Center is coming together quickly. We've hired a very capable Distribution Center manager in Keith Souhrada. Keith is currently managing the tenant improvements at our Las Vegas Distribution Center. This ensures that Las Vegas will have a fully trained manager prior to start-up and will run as productively as our Portland, Allentown, Memphis and Jacksonville facilities. Keith is also working at our member store in Las Vegas to gain critical understanding of the needs of our local contractors.

We will begin placing opening orders mid-December 2007 and will begin receiving product shipments in Las Vegas on a phased-in schedule beginning February 2008. Las Vegas is slated to be fully operational the first week of March 2008. We appreciate your support in honoring requested ship dates. **Please do not ship early or late.** As you can imagine, we have a tremendous amount of product to receive within a designated time period in order to get fully stocked. Your cooperation will help us greatly.

Please add Las Vegas to your system as a ship to location for Johnstone Supply.

Johnstone Las Vegas Distribution Center
4875 E. Cheyenne Avenue
Las Vegas NV 89115

Phone and fax numbers to follow.

Receiving hours in Las Vegas are 7:30 a.m. to 11:30 a.m. Some orders will require a call to the Distribution Center to schedule an appointment. If you get a purchase order requiring an appointment for delivery, please contact Keith Souhrada at (702) 812-0556 until further notice.

If you have any questions about Las Vegas, the best place to start is the Marketing Manager with whom you normally communicate. We are very excited about the opening of our fifth distribution center and the growth opportunities it will bring to our business.

Thank you,

Ray Kernagis
Vice President – Supply Chain
